Perri & Palmacci Hair Company is doing everything we can to protect you, our client, our community and our staff. To this extent, we will be following the **Workplace Safety & Prevention Services Guidance on Health and Safety for Personal Services** and local health department guidelines with regard to social distancing practices and sanitation in order to reduce the spread of Novel Coronavirus, or COVID-19.

We acknowledge that the social distancing recommendations of 6 feet cannot be met in the actual service itself. However, we will do as much as possible in our salon setting. We will also be requiring this same procedure for client-to-client contact in order to limit the exposure to all individuals. Only the person receiving the service will be allowed in the salon.

All tools, stations and equipment will be sanitized and/or disinfected between each client. Clean, freshly washed capes will be given to each client. Staff will follow proper hand washing protocols between each client. We will temporarily suspend all complimentary services; NO rituals, NO hand massage, NO neck massage, No beverages.

Perri & Palmacci Hair Company requires *all* individuals to utilize approved masks, it is recommended that guests do not wear improvised masks such as scarves, bandannas, and handkerchiefs as colour may get on the sides and ear straps during a colour service. It is also required of everyone to either wash or sanitize their hands upon arrival of your appointment, after using the restroom, sneezing, or coughing.

If we all work together, we can overcome the spread of this virus as well as other infectious diseases.
